Bring Be The Hell with It!

Hey guys, For both meaning to do this project for a while now, the only problem was that there were no back for it. Anyway thanks to summer time in Britain meaning their banks, we got the go-ahead for this. We are going to continue this project to the end... and you want to help us out it would be greatly appreciated. For this is a project with BLAH, so I'm not sure how that will sit down. BUT you will be able to hear with your help and support on how we can bring, gift, thank and help out.

Ascension Scanlations is in need of new blood.

Hey guys, as you guys can see we've started a few new projects. The reason for that is because i've finished with my exams so i'm sort of free now. Anyway... due to me not having that much free time the group kinda went on a pause and that's because i have next to no staff. So that's why I **NEED SLAVES STAFF!** With this new batch of releases i'm hoping to get some extra hands that could help me out.

I want experienced staff but i'm willing to train new people that are willing to work as good as they can, and people that are gonna stay with us and not walk away from us after 1 week or so (We need people for all staff positions). Cleaning, Proofing, Quality-Checking, Typesetting, Redrawing. We also need translators: Japanese to English, French to English, Chinese to English, Korean to English.

The ones that we need most are the ones underlined. Whoever is interested please either join #Ascension on irc.irishhighway.net, or post on our forum, or send me a mail at bratan_valentin@yahoo.com

Seriously now, help us and we'll release faster and more releases. I have on my PC many more projects that are interesting, but i need help to finish the ones that i started first before i can start anything else. Also... my list of mangas that i want to do is realllllly big, who knows maybe your favorite manga is one of them!
